L'approccio ecosostenibile da parte delle aziende non può oggi essere solo una tendenza o uno slogan, ma deve essere una scelta consapevole e implementata in ogni fase di vita del prodotto, dalla sua ideazione alla sua produzione, fino alla consegna e utilizzo.

Arblu è stata tra le prime aziende del settore bagno a impegnarsi in tal senso. Progettiamo con cura dei dettagli, innovazione e visione, restituendo un prodotto Made in Italy, di design, funzionale e sostenibile per la comunità e l'ambiente.

_ The eco-sustainable approach by companies today cannot be just a trend or a slogan but must be a conscious choice implemented at every stage of the product's life, from its conception to its production, delivery and use.

Arblu was one of the first companies in the bathroom industry to commit to this. We design with attention to detail, innovation and vision, delivering a product that is functional and sustainable for the community and the environment.

_ Der ökologisch nachhaltige Ansatz der Unternehmen darf in der heutigen Zeit nicht nur ein Trend oder ein Slogan darstellen, sondern muss eine bewusste Entscheidung sein und in jeder Phase des Produktlebens umgesetzt werden, von der Konzeption bis zur Produktion, Lieferung und Nutzung. Arblu war eines der ersten Unternehmen in der Badindustrie, das sich diesem Ziel verschrieben hat. Wir entwerfen mit Liebe zum Detail, Innovation und Weitblick und liefern ein Designprodukt, das funktional und nachhaltig für die Gemeinschaft und die Umwelt ist.

_ L'approche écologique des entreprises ne peut être aujourd'hui qu'une tendance ou un slogan, mais elle doit être un choix conscient et mis en oeuvre à chaque étape de la vie du produit, de sa conception à sa production, jusqu'à la livraison et l'utilisation. Arblu a été l'une des premières entreprises du secteur de la salle de bains à s'y engager. Nous concevons avec le soin des détails, innovation et vision, en restituant un produit design, fonctionnel et durable pour la communauté et l'environnement.

Horizon _ System

Con Horizon siamo partiti da un nuovo concetto di cornice che si configuri come un sistema, applicabile ad ante del mobile e a walk-in, per generare un ambiente bagno completo, coerente e riconoscibile nelle linee e nello stile di design.

_ Mit Horizon haben wir ein neues Rahmenkonzept entwickelt, das als System für Schranktüren und Walk-Ins konfiguriert werden kann, um ein komplettes Badambiente zu schaffen, das in seinen Linien und seinem Designstil konsistent und erkennbar ist

_ With Horizon, we started with a new concept of a frame that is configured as a system, that can be applied to cabinet doors and walk-in, to generate a complete bathroom room that is consistent and recognizable in its lines and design style.

_ Avec Horizon, nous sommes partis d'un nouveau concept de cadre qui se configure comme un système, applicable aux portes du meuble et aux walk-in, pour créer un environnement de salle de bains complet, cohérent et reconnaissable dans les lignes et le style de design.

Horizon
System — List

Materials

CONGLOMERATE

CARB water-repellent ecological wood conglomerate with low formaldehyde content melamine-faced and lacquered with polyurethane paints or veneered with 6/10 thick ribbed oak wood with a water-oil finish which protects the environment. It is a material with scratch resistance, easy to clean, available in different finishes.

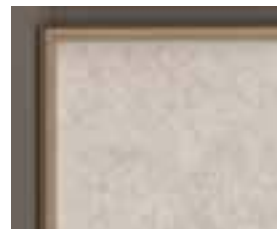

PIETRABLU

Material composed of natural minerals and resins, coated with a surface film (Gealcoat), with textured surface in five different types.

GRES

Material consisting of ceramic clays, feldspars, kaolin and sand, raw materials which are first ground and then finely atomised until a homogenous grain size powder, available in various marble and stone effects.

GLASS AND MIRROR

The glass used in the Horizon system is tempered, ensuring exceptional resistance, in accordance with international safety regulations UNI EN 12150-1 and UNI EN 14428. The internal/external laminated mirror guarantees maximum safety.

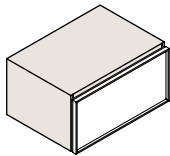

ALUMINIUM

For its profiles, Arblu exclusively uses primary aluminium in aesthetic 6060 alloy. It further guarantees consistency and quality by certifying the painting processes, according to the Qualicoat standard, and the anodising processes, referring to the Qualanod standard.

Divider profiles

In all walk-in configurations, the insertion of horizontal or vertical divider profiles can be requested with the possibility of choosing different glass finishes for the individual sections.

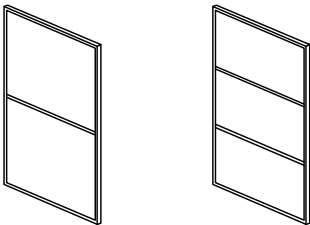

Art.	Description	ALUBLACK
11705	1 divider profiles up to 207 cm	144
11710	1 divider profiles over 207 cm and up to 300 cm	184

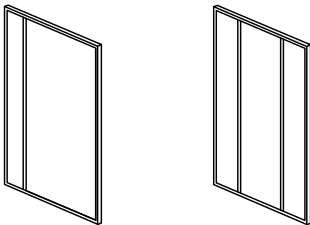

FRAME FINISH SURCHARGE

F3	F4	PL
10%	15%	without surcharge

Examples position of horizontal divider profiles:

Examples position of vertical divider profiles:

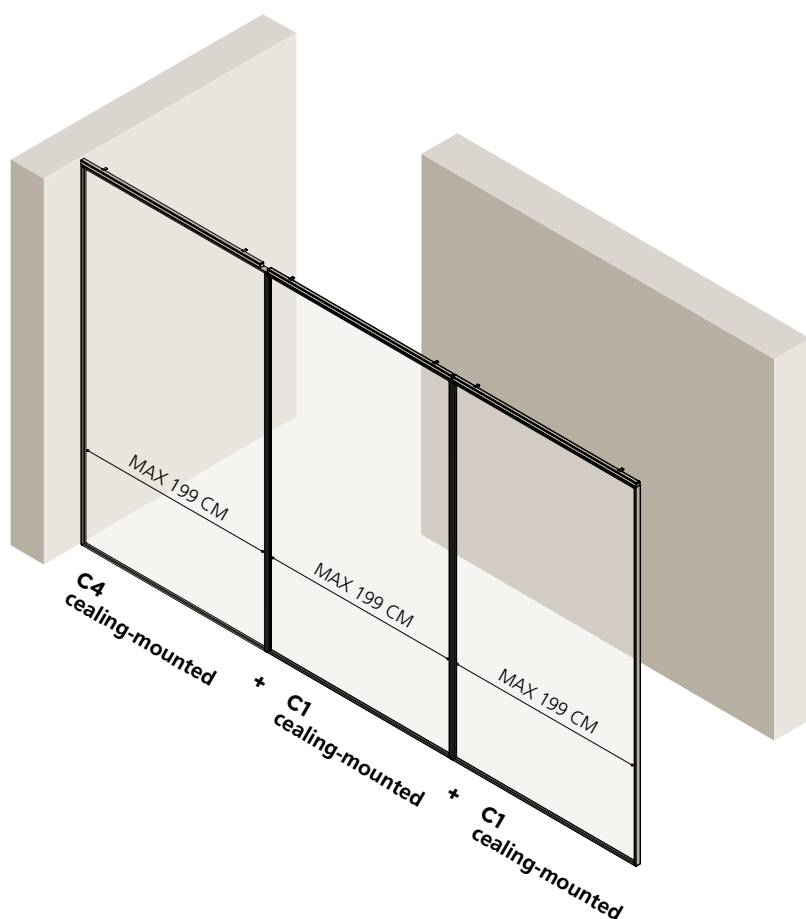

- 
- › If there are different divider profiles and glass finishes, consider the price of the glass finish with the higher price range
 - › Always carry out an exact measurement survey before the order (see table 'Measurement survey' in the technical info section)

Walk-in modularity

Walk-in can also be placed side-by-side or on top of each other giving space for the design of real walls.
Projects must be validated by the technical office for feasibility.

Example:

 › For confirmation of feasibility and various info

DRAWER H 48

DRAWER H 36+36

DRAWER H 36+48

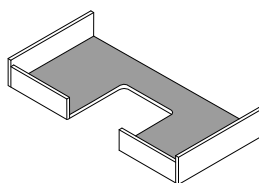

MATS

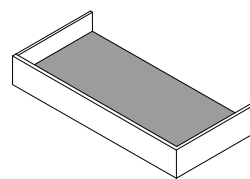

Characteristics:

The drawer mats are available in Corda finish. They are non-slip and removable for an easy hygienic cleaning.

For prices, please see the **Accessories section within the "Furnishing items"** price list.

Mat for drawer with slot /
Internal drawer with slot

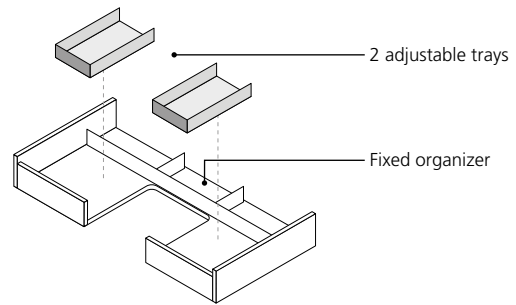

Mat for straight drawer /
Straight internal drawer

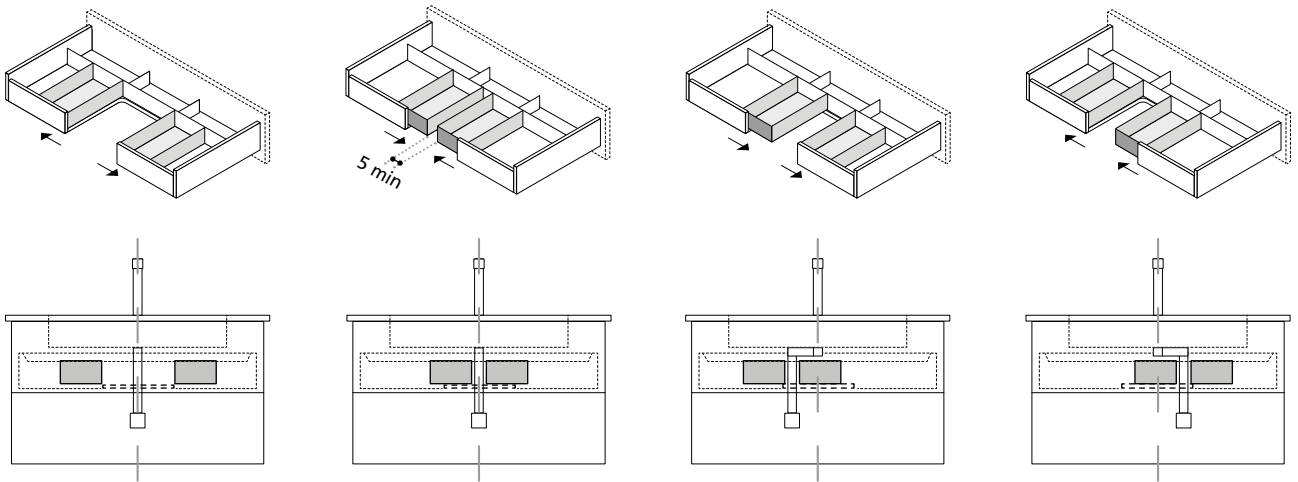

"OPTIMUS SYSTEM" EXCLUSIVE ARBLU

Characteristics:

Optimus is the original and exclusive Arblu system that allows to optimise and adjust the drawer spaces by adapting the size and position of the under-sink siphon.

POSITION ADJUSTMENT

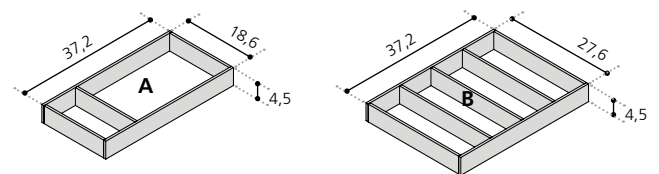

ORGANIZER FOR DRAWERS

Characteristics:

The Organizers, in aluminium, are available in anthracite finish. They allow to organize the spaces of the drawer depending on the available space.

For prices, please see the **Accessories** section within the **"Furnishing items"** price list.

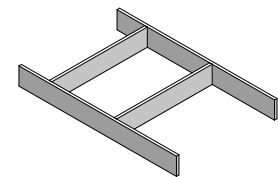

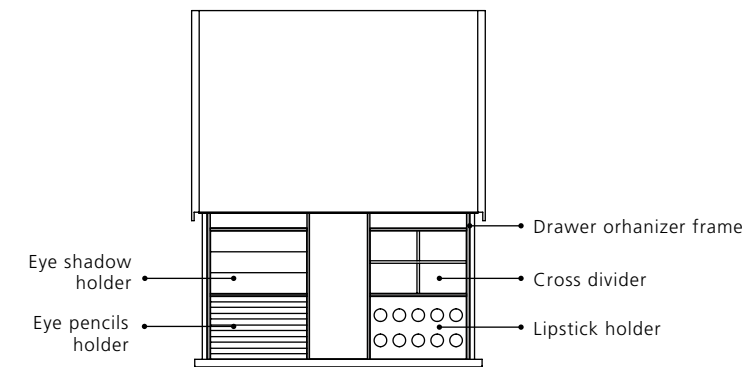

WOODEN ACCESSORIES

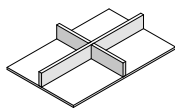

Characteristics:

The drawer accessories are available in black stained ash wood.
They allow you to organise the space optimally for a tidy bathroom.

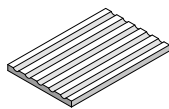

For prices, please see the **Accessories section within the “Furnishing items”** price list.

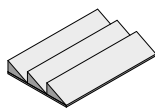

Drawer organizer frame

Eye shadow holder

Box holder

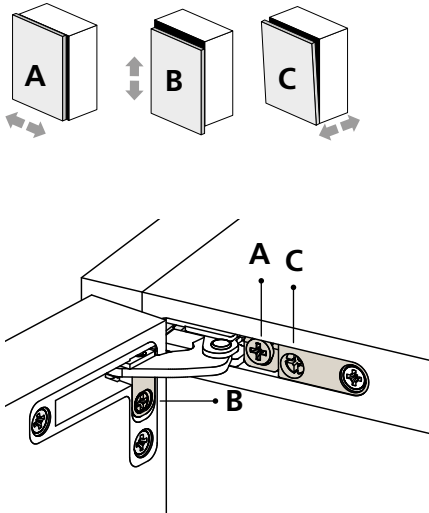

Lipstick holder

Closing doors

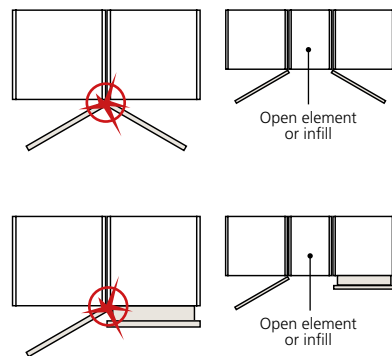

CLOSINGS

All standard wing doors are equipped with a lock cushioned with adjustable hinges on the axes

- side (A) ↔
 - in height (B) ↑↓
 - forward / backward (C) ↗↖
- and quick release.

When we place several elements side by side, we have to consider that the open door overhangs the structure, so we cannot have hinge/hinge or hinge/drawer side by side without inserting an open element or an infill.

Shelves and shelf supports

SHELVES

Units, columns, open shelf units and open wall units are fitted with 8 mm bronze Glam glass shelves, while open shelf columns are fitted with 18 mm barbed glass shelves in the same finish of the structure. The columns always have a fixed shelf in the same finish of the structure that makes them structurally solid.

SHELF SUPPORTS

Shelf supports for glass shelves equipped with two rubber parts to hold the glass at the top and at the bottom, increasing its grip. They meet UNI EN 14749/05 regulation.

Interior lighting

LIGHTING KIT FOR UNITS

- › Lighting kit available for all basin and storage units, including power supply unit.
- › Activation when opening via IR sensor (infrared) and switching off when closing the front (not available with transparent and extra light glass).
- › The light is positioned at the top of the unit with a black bar.
- › It works on 24 V with 4000 K light and has a brightness of 1000 Lumen/m.
- › The lighting is shipped already applied inside the compartment, the transformer separately.

WALK-IN TECHNICAL INFO

Walk-in volume and weights

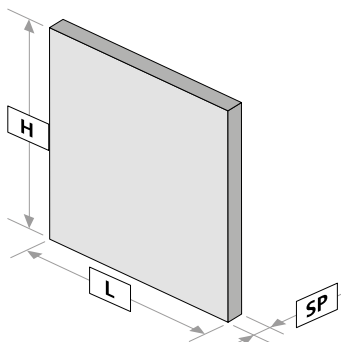

Evaluate any transportation and handling issues up to the point where the Walk-in will be installed, based on weights and volumes.

PACKAGES AND VOLUME

Walk-in with single glass are shipped in a single package, while for configurations with divider profiles:

- Configurations with support arms up to L 168 are shipped assembled in a single package.
For wider dimensions, they are shipped disassembled, with each glass having its own package.
- Ceiling configurations are always shipped disassembled, with each glass having its own package.

Package dimensions:

L = Width Walk-in + 5 cm*

H = Height Walk-in + 5 cm

SP = Thickness 6,5 cm

(*) for ceiling-mounted solutions L + 15 cm

WEIGHTS

The gross weights of the Walk-in are indicated in the following tables.

GROSS WEIGHT OF FINISHED PRODUCT

Walk-in configurations with support arms H 207 cm

Measurements survey for Walk-in

With each order you need to send a detailed drawing and the survey form to be completed in its entirety with the date, the customer's name, the contact person and the required measurements shown on the drawing.

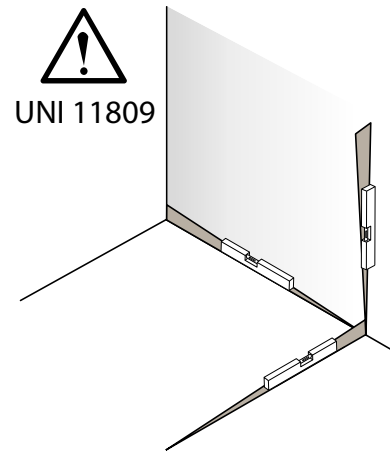

Attention:

- 1 › Take the measurements after installation of the shower tray and wall coverings.
- 2 › Verify the planarity and the flat level of the shower tray/surfaces and walls according to the regulation UNI 11809.
- 3 › Mind the obstacles along the walls (e.g. borders) where the profiles of the shower cabin have to be fixed
- 4 › If you are not able to follow the above-mentioned requirements, please contact Arblu; otherwise the company will not take any responsibility for bad functioning of the shower cabin or possible water leaks.
- 5 › Plasterboard walls or ceilings must be adequately reinforced at the shower wall area to ensure that the screw fixing is solid and stable.

The company is not responsible for incorrect information or for installations that do not comply with the instructions provided with the product.

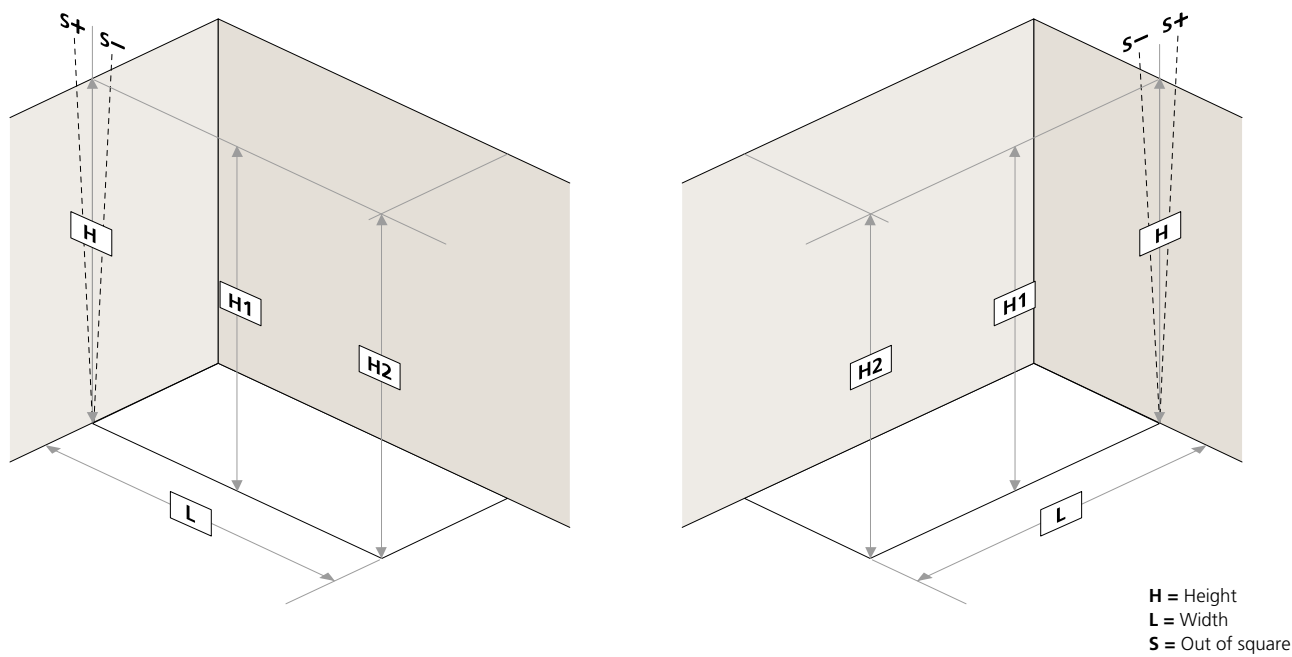

If configurations not included in this price list are required, a feasibility check must be requested from Arblu, always accompanied by a detailed drawing with the necessary dimensions.

The forms on the following pages, which can be printed and filled out, are available on our website and reflect the most common situations found in homes.

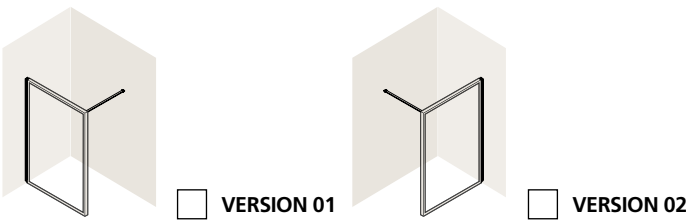

- › We recommend using a laser level to more accurately detect any misalignments or as a reference for the measurements required by the project
If a laser level is not available, a spirit level and other suitable measuring tools can still be used

General sales conditions (GSC)

The following terms and conditions are considered as fully accepted by the Buyer at the time when the order is placed.

1. Acceptance

- a. We accept orders only in a written form. Each order is accepted with "acceptance reservation" by our company, hereafter referred to as Arblu srl.
- b. Orders can also be processed partially. Any contribution to the transport costs will be charged according to the ongoing agreed sales conditions.
- c. We do not dispatch orders below the amount of 100 € net.

2. Cancellations / Changes

- a. Upon receipt of the order, Arblu issues the "Order Confirmation" which can be modified and / or canceled within 1 day of receipt. Subsequently, cancellations and / or variations will not be accepted.

3. Product features and modifications

- a. Arblu srl reserves the right to make suitable changes to products at any time and without prior notice, without compromising their main features.
- b. Light, vapors and other environmental factors can lead to changes in tones and colour that might not guarantee the perfect colour matching for items purchased at different times. Should these differences occur, these cannot be object of dispute.

4. Prices

- a. All prices contained in this pricelist are expressed in Euros. Prices indicated are meant under EXW Fontanafredda, Italy delivery terms, VAT and installation not included. Delivery occurs at the prices indicated in the price list that is valid on the date indicated in the Order Confirmation.
- b. Prices can be changed at any time without prior notice. Any typing errors in prices and / or omissions in this price list do not bind Arblu srl to the Buyer.
- c. In the case the clients have different tax systems from the ones usually applied, Arblu srl needs to receive in written form all the information before sending the Order Confirmation, otherwise all amounts are subject to the usual imposition of laws in force at the time of sale.

5. Delivery

- a. The dates for delivery are not binding and in no case constitute grounds for late payments and / or claim for damages. The supply takes place at the earliest opportunity, subject to stock availability and production capability. The terms of delivery are suspended for fortuitous events and "force majeure" and/or any any unpredictable event outside the control of Arblu srl. The time of delivery will be suspended from the day of the impediment.

6. Transport

- a. Regardless the agreements made on transport costs, and/or payment terms and/or eventual delivery of documents, the passage of transport risks is meant under EXW (Incoterms 2010) delivery terms, with loading the products on means of transport intended for the Buyer. Therefore any complaint must be addressed by the Buyer to the Carrier, even if the transport has been commissioned by Arblu srl. The recipient is namely obliged to check the incoming goods and to notify any possible damage to the Carrier. When the carrier delivers the goods, any damaged packages may be withdrawn by indicating on the delivery NOTES remarks the wording "subject to verification." Within 48 hours the Customer can notify the damage to the Carrier; after this time Arblu srl reserves the right not to acknowledge any compensation for noticed damages and/or breakages.

7. Installation and assembly

- a. Installation of our products must be carried out by professional personnel, by following the instructions delivered together with the products, the relevant technical documentation and according to the laws and regulations governing the implementation of this type of activity. The Buyer assumes all responsibility for faults and / or defects in installation and for any violation of the above provisions. Arblu srl does not take any responsibility for wrong or incorrect installation of the delivered products.

8. Tolerance

- a. All items can have a tolerance of +/-1% compared to the ordered size.

9. Complaints

- a. Any non-conformity, fault or defect shall be reported within 8 (eight) days from delivery, under penalty of revocation. Any non-conformity, fault or defect hidden at the time of receipt of the goods shall be reported within 8 (eight) days from their discovery.

10. Returned goods

- a. No items can be returned without the express authorization of Arblu srl
- b. Authorized returns must be consigned to Arblu srl on DAP delivery terms basis, they will be in any case charged by 20% costs as well as any repair costs for any possible damage caused by negligence of the Customer.
- c. The goods immediately identified as damaged and replaced by the supplier have to be returned within 30 days from their replacement. Beyond that date Arblu srl will be forced to issue an invoice for the replaced goods at current price list.

11. Warranty

- a. The products will be suitable for the use they are normally intended for and will be guaranteed by non-conformity and defects in material and workmanship. In any case, measurements, tints, colors, illustrations and drawings on catalogues and/or samples will be merely indicative. The warranty only covers the replacement of products and parts which we acknowledge as being defective. The normal degradation and wear of the products, as well as any defect or lack of quality due or influenced by incorrect storage, are excluded from the warranty and liability of Arblu srl. The warranty does not cover damage to products that have been tampered with by the Buyer and / or third parts, installed and / or used not in accordance with the operating conditions supplied with the product. Under no circumstances a warranty intervention will take place once elapsed 24 months from delivery date.

12. Payments and overdue interests

- a. The payment deadline will be strictly observed, the possible acceptance of credit by Arblu srl is always subject to collection, without any renewal of the relationship and without modification of the competent Court. If payment is not done at the foreseen date, Arblu srl will apply the interests established by Italian Legislation in compliance with European Directives 2000/35/CE and 2011/7/UE and without prejudice to the right of Arblu srl to declare the contract terminated and request compensation for damages. Arblu srl will have the right to suspend any delivery, without prior notice, making void the ongoing order for the part not yet delivered due to the fault of the Buyer. In no event will the Buyer be allowed to suspend or delay payments, even in the event of dispute, complaint or controversy.
- b. In the event of termination of the contract or cancellation or withdrawal of the Buyer, Arblu may withhold any deposit fees collected as penalty as a partial compensation of contractual obligations not complied with by the Buyer, except a greater damage caused.

13. Cautions

- a. Arblu srl may suspend deliveries in case the worsened economic conditions of the Buyer may compromise the payment and there is a danger of not obtaining payment: in the case of deferred payments, failure to timely comply with the deadlines established legitimate Arblu srl to demand immediate payment of the entire remaining price.

14. Retention of title

- a. The sale is made subject to property (Article 1523 et seq CC), so the products remain the property of Arblu srl until full payment of the price.
- b. Payments are not recognized if made to agents, representatives, producers and salesmen without the written permission from Arblu srl.
- c. The goods will become property of the Buyer only after their regular, full payment. The Buyer has no right to sell, pledge, guarantee, lease, otherwise the goods to a third person before this deadline. In case of failure and / or delayed payment, Arblu srl reserves the right to recover the goods.
- d. In the event that the Buyer has sold the products before their full payment, Arblu srl will automatically have the right to subrogation to the Buyer's rights to the third buyer and any proceeds from the sale will be held by the Buyer in the name and account of Arblu srl, the latter being readily transmitted. In any case the risks arising from loss or damage for any cause suffered by the products will be borne by the Buyer.

15. Use of trademarks and images

- a. any kind and form of use of trademarks and names of Arblu srl property, as well as links, images, photos and files must be authorized in advance in written form by Arblu srl.

16. Applicable Law and Jurisdiction

- a. These terms and conditions are governed by the Italian Law and the Court of Pordenone (Italy) has competence for any controversy. Arblu srl will have the right to refer, at its discretion, to the competent Court where the Buyer is located.

17. Validity

- a. This price list comes into effect starting from 1st June 2025.
