COMPANY

For **almost 30 years**, Arblu has been **designing, producing** and retailing **Made in Italy** solutions for bathroom, paying attention to quality, design, research, innovation and contemporary trends in furnishing and wellness. The product range includes shower enclosures, shower trays, furniture, decorative radiators and wallpaper for a **complete and coordinated bathroom furnishing**.

Building quality of life

We take care of people's wellbeing, making the home a place to enjoy wonderful experiences and pleasure for the senses.

Our focus is on creating the **most advanced solutions** to meet the need to create precious moments for oneself, of relaxation and joy, in the comfort of one's own home that becomes a true oasis of **well-being**.

Thanks to innovation, attention to detail and service of our team of unique people, we build rooms in which to enjoy intensely, always aiming at **sustainability, for people and the environment**.

Mission

We create with **attention to detail, innovation** and vision, delivering a **product of design, functional** and sustainable for the community and the environment.

We work to make the product pleasant, natural and easy to use for those who sell it, those who install it and those who will experience it. We strive to **create value** with the passion and pride of **our unique group of people**.

watch the Company
Profile video

CODE OF ETHICS

Arblu has adopted a code of ethics, the organisation, management and control model in accordance with **Legislative Decree 231/01**, whose rules of conduct are inspired by principles and values affirmed not only in official company documents as well as in the management ethics that have characterised the development in almost 30 years of activity.

QUALITY AND CERTIFICATIONS

Our entire product range is manufactured in Italy and complies with European directives to class **E1**, **EN 717** regulation and the US **CARB2** and **TSCA TITLE VI** directives for formaldehyde emission of all woodbased composite materials.

ISO 9001 AND ISO 45001 CERTIFICATIONS

Arblu, with the aim of improving the efficiency of its structure, respecting safety of its employees in the workplace, has received the certification ISO 9001 **'Quality Management Systems'** and ISO 45001 **'Management Systems for the safety protection in the workplace'**.

The certifying body for the integrated system is Bureau Veritas, a world leader in control, verification and certification services for Quality, Health and Safety in companies.

ISO 9001 n° IT335352

ISO 45001 n° IT335349

SUSTAINABILITY, A CONCRETE VALUE

The **eco-sustainable approach** by companies today cannot be just a trend or a slogan but must be a **conscious choice** and implemented at every stage of product life, from its conception to its production, delivery and use. Arblu was one of the first companies in the bathroom sector to commit to this. We design with attention to detail, innovation and vision, delivering a design, functional and **sustainable product for the community and the environment**.

Sustainability Manifesto

On the occasion of the **Festival of the Green Economy**, Arblu joined the **Manifesto of Green Companies** to achieve a series of goals in the coming years that are consistent with the European commitment to **zero CO₂ emissions by 2050** and to implement policies aimed at creating value for the community and the environment.

Green energy in the company

Clean energy is another Arblu's area of interest. The **photovoltaic system** on our headquarters can produce energy to **cover 100% of our energy needs** and in surplus, to be more eco-friendly and reduce unsustainable energy consumption.

Supporting the work of the territory

A hallmark of Arblu is its belief in and support for the **development and enhancement of local companies and workers**, redistributing wealth within the territory.

Our products are conceived, designed and engineered by the Arblu team and produced in our company with materials, for the most part, from local suppliers.

Certified and durable materials

From **selected and certified suppliers**, we receive **materials of first choice** to ensure a **long product life**.

Arblu is committed to using a short supply chain. This not only reduces the environmental impact of transport, but it also ensures tighter control and collaboration on product quality.

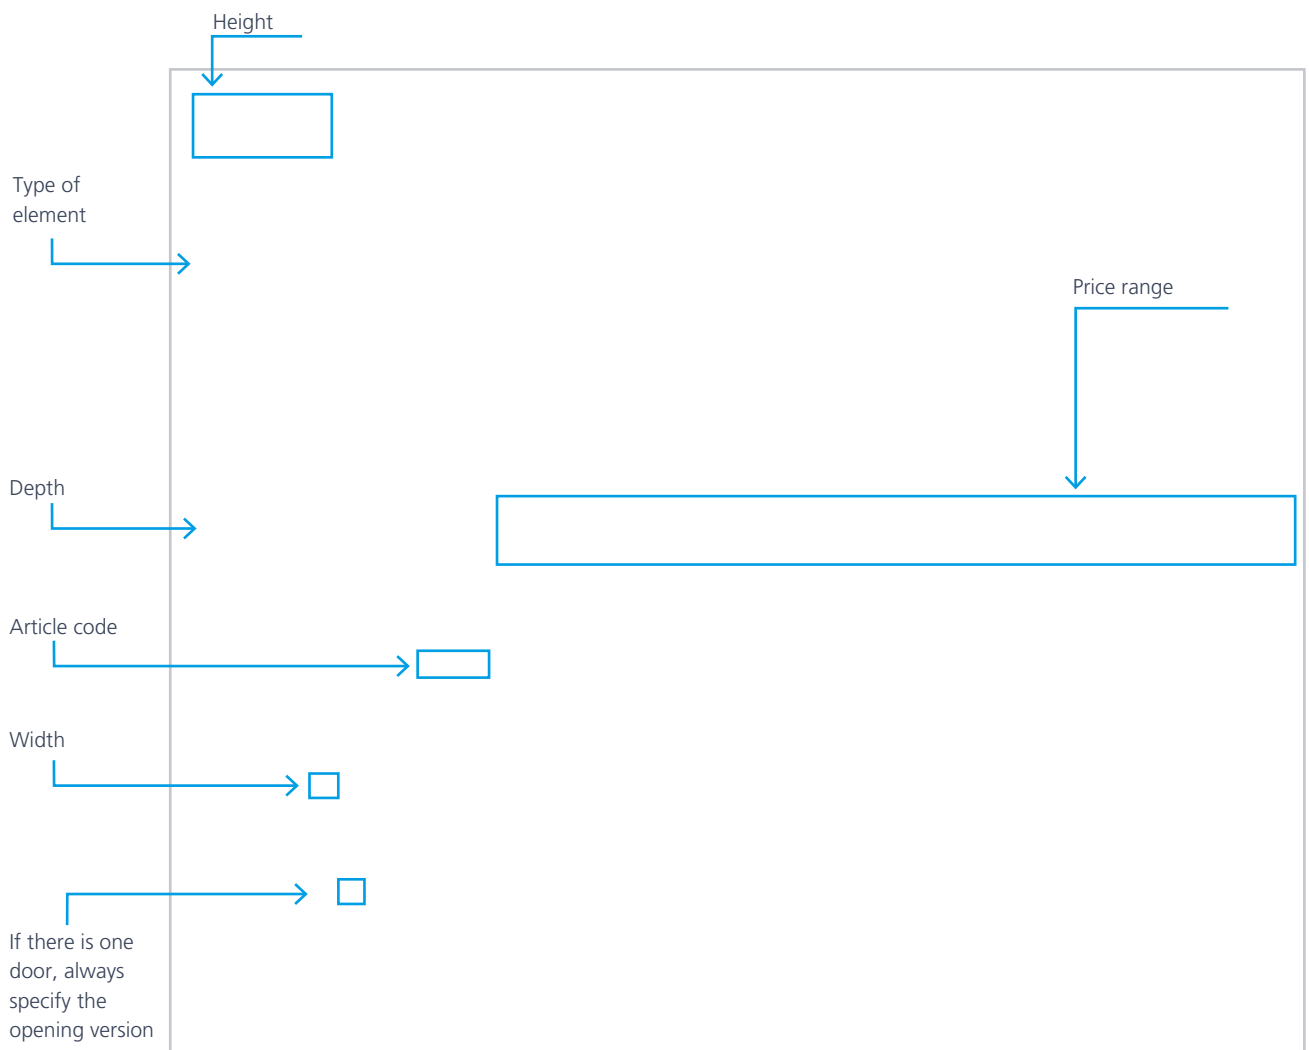

Ecological packaging

Arblu packaging is tailor-made for our products with recycled and recyclable cardboard, ensuring waste reduction and maintaining a high level of safety during transport. The use of polystyrene as a packaging material has long been criticised due to its poor biodegradability and harmful effects on the environment, so Arblu is working to remove it completely from packaging.

HOW TO READ THE PRICE LIST

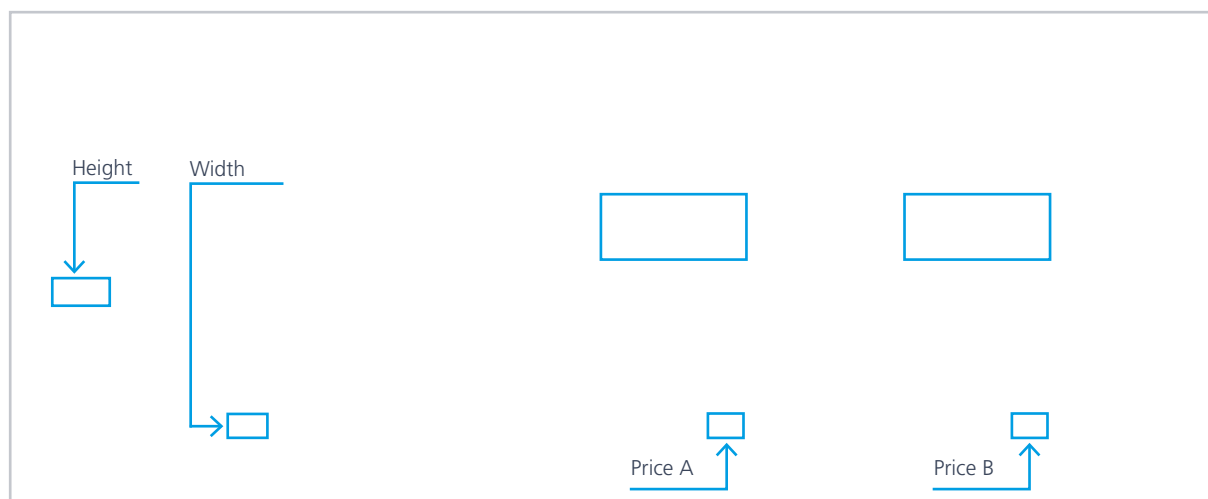

› N.B. See the inside flap of the price list for price range selection

CAVA E METTI SIDES AND FRONTS

Within the dedicated section, you can customise your structure by replacing the finishes of individual elements.

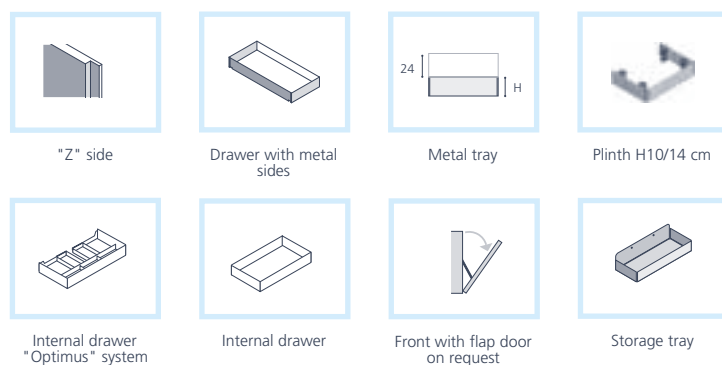

E.g. If you have chosen a basin unit H 24 D 50 in F1 but you want to change the finish of a side in glossy lacquered, simply subtract price A in F1 from the total and add price B in F4

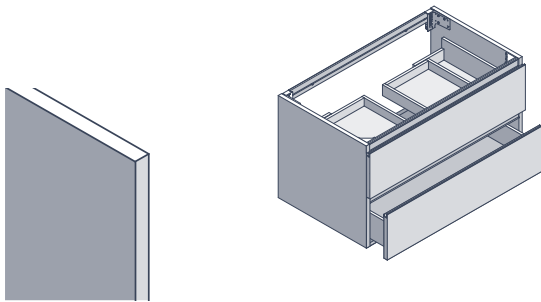

E.g. If you have chosen a basin unit H 24 W 95 in F3 but you want to change the finish of the front in hydro-oil Rovere, simply subtract price A in F3 from the total and add price B in F5

MATERIALS

THERMO-STRUCTURED

Ecological water-repellent wood panel in CARB class with low formaldehyde content, finished with melamine paper. It is a material with scratch resistance, easy to clean and available in various finishes.

GLOSSY AND MATT LACQUERED AND METAL LACQUERED

Ecological water-repellent wood panel in CARB class with low formaldehyde content, finished with melamine paper lacquered with polyurethane varnishes. It is a material with scratch resistance, easy to clean and available in various finishes.

VENEERED WOOD

Rovere rigatino: CARB water-repellent ecological wood conglomerate with low formaldehyde content veneered with ribbed oak th. 6/10. It is a material with scratch resistance, easy to clean and available in various finishes.

Hydro-oil treatment
safeguards the environment

Rovere nodato (for fronts): Oak wood panel formed from a solid 3-layer European oak substrate. It is a material with remarkable qualities of hardness, scratch resistance, easy to clean, available in various finishes.

PIETRABLU

Material composed of natural minerals and resins, coated with a surface film (Gealcoat), with textured surface in five different types.

TECHNOPOLYMER (for structure and fronts)

18 mm thickness water-repellent wood particle board panels in CARB class, covered with Soft touch technopolymer applied using thermoforming, in colours Bianco, Sabbia or Basalto.

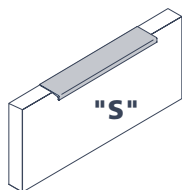

GLASS

The internal shelves are in 0.6 or 0.8 cm polished glass.

"OPTIMUS" SYSTEM FOR UNDER-SINK DRAWERS

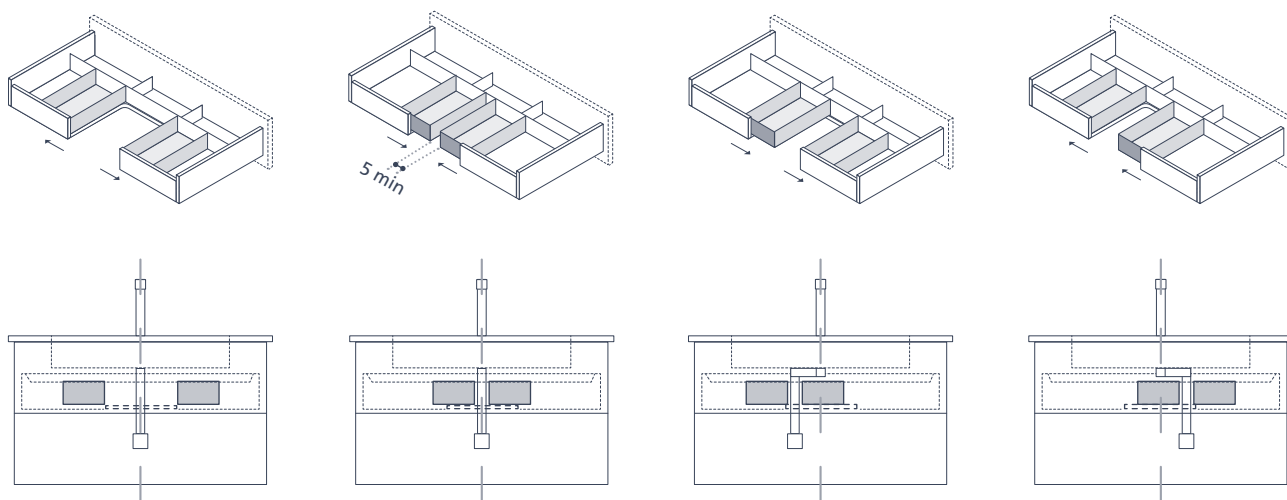

ARBLU EXCLUSIVE

Characteristics:

Optimus is the original and exclusive Arblu system that allows to optimise and adjust the drawer spaces by adapting the size and position of the under-washbasin siphon.

POSITION ADJUSTMENT

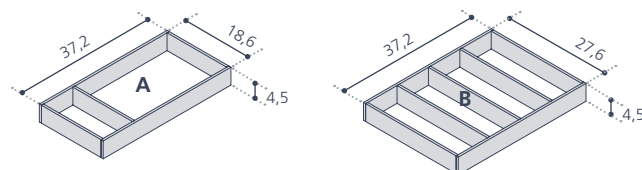

ORGANIZER AND DIVIDING TRAYS FOR DRAWERS WITH METAL SIDES

ORGANIZER FOR DRAWERS WITH METAL SIDES

Characteristics:

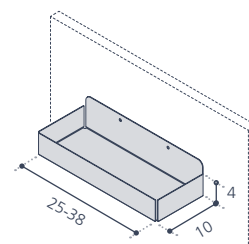

The Organizers, in aluminum, are available in anthracite finish. They allow to organize the spaces of the drawer depending on the available space.

STORAGE TRAYS FOR DOORS

Characteristics:

Storage trays for basin units with W 85 and W 95 doors are available in matt gray finish. They allow to increase the useful space of the furniture.

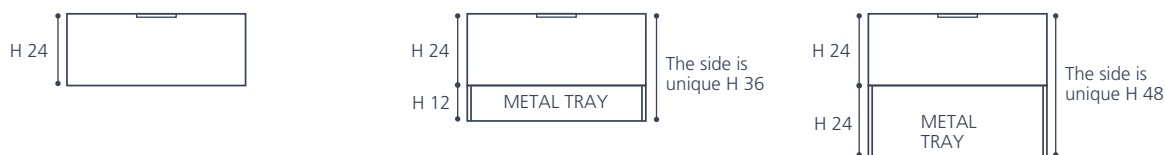

› For storage trays always specify the size of the door front

METAL TRAYS

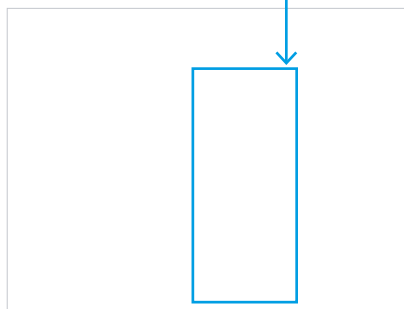

Characteristics:

Possibility of installing metal trays in height H 12 or H 24.

N.B. Metal trays are available in depth D 45,5 and D 50.

Feasibility for metal trays on price list

FLAP DOORS

Characteristics:

It is possible, on request, to replace the door or drawer front opening with the flap door by contacting the technical office.

INTERIOR LIGHTING

Characteristics:

Lighting system available for all basin and storage units of all collections in the price list.

- › Activation when opening via IR sensor (infrared) and switching off when closing the front.
- › The light is positioned at the top of the unit with a bar to match the interior of the cabinet.
- › It works on 24 V with 4000 K light and has a brightness of 1000 Lumen/m

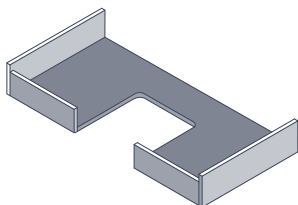

For prices, please see the **Accessories** section within the "Furnishing items" price list.

MATS

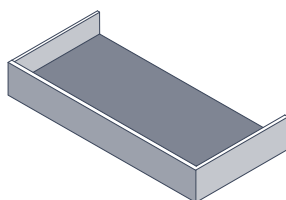

Characteristics:

The drawer mats are available in anthracite finish.

They are non-slip and removable for an easy hygienic cleaning.

Drawer mat with cut /
Internal drawer with cut

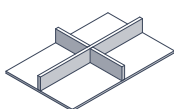

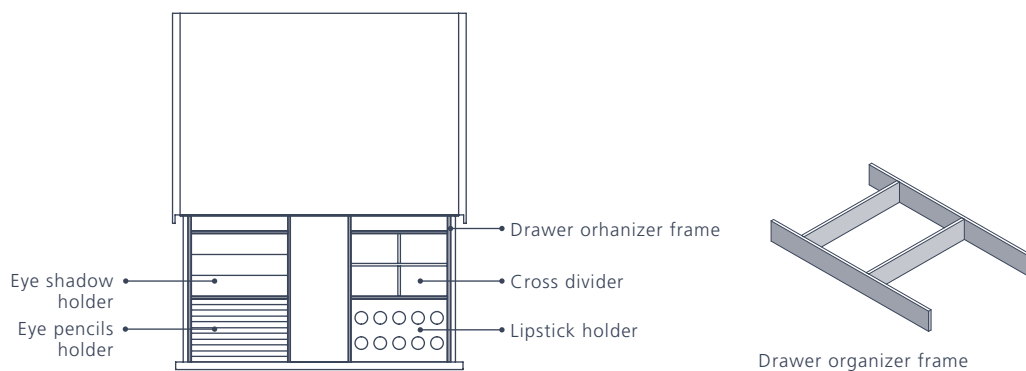

Mat for straight drawer /
Straight internal drawer

WOODEN ACCESSORIES

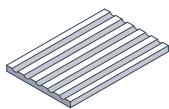

Characteristics:

The drawer accessories are available in black stained ash wood. They allow you to organise the space optimally for a tidy bathroom.

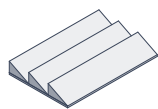

For prices, please see the **Accessories** section within the "Furnishing items" price list.

CHARACTERISTICS

General characteristics:

- › Interlocking tubes and fittings system modular and customisable in many different solutions:
 - Animè or Animè hand wash
 - Telaio System
 - Ring System
 - Tuby Mirror
- › Towel racks, spotlights and shelves - **optional**

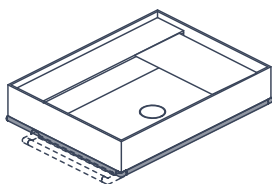

› For elements that require it, always specify the version if right (02) or left (01)

TECHNICAL NOTES:

Maximum dimensions of the washing machine

Columns D 50 - W 61 x D 47 x H 86,5 cm

Columns D 64 - W 61 x D 61 x H 86,5 cm

Maximum dimensions of the dryer (upper compartment)

Columns D 50 - W 61 x D 47 x H 100 cm

Columns D 64 - W 61 x D 61 x H 100 cm

ATTENTION:

- › There are various models of washing machines and dryers on the market, each with different types and characteristics. In order to avoid any inconvenience, check whether your customer's washing machine can be installed and, above all, functionally used inside our units.
- › When combining washing machine elements with articles of different depths, the doors may not have a full opening.
- › Always check that the detergent compartment is easy to use.

GENERAL SALES CONDITIONS (GSC)

The following terms and conditions are considered as fully accepted by the Buyer at the time when the order is placed.

1. Acceptance

- We accept orders only in a written form. Each order is accepted with "acceptance reservation" by our company, hereafter referred to as Arblu srl.
- Orders can also be processed partially. Any contribution to the transport costs will be charged according to the ongoing agreed sales conditions.
- We do not dispatch orders below the amount of 100 € net.

2. Cancellations / Changes

- Upon receipt of the order, Arblu issues the "Order Confirmation" which can be modified and / or canceled within 1 day of receipt. Subsequently, cancellations and / or variations will not be accepted.

3. Product features and modifications

- Arblu srl reserves the right to make suitable changes to products at any time and without prior notice, without compromising their main features.
- Light, vapors and other environmental factors can lead to changes in tones and colour that might not guarantee the perfect colour matching for items purchased at different times. Should these differences occur, these cannot be object of dispute.

4. Prices

- All prices contained in this pricelist are expressed in Euros. Prices indicated are meant under EXW Fontanafredda, Italy delivery terms, VAT and installation not included. Delivery occurs at the prices indicated in the price list that is valid on the date indicated in the Order Confirmation.
- Prices can be changed at any time without prior notice. Any typing errors in prices and / or omissions in this price list do not bind Arblu srl to the Buyer.
- In the case the clients have different tax systems from the ones usually applied, Arblu srl needs to receive in written form all the information before sending the Order Confirmation, otherwise all amounts are subject to the usual imposition of laws in force at the time of sale.

5. Delivery

- The dates for delivery are not binding and in no case constitute grounds for late payments and / or claim for damages. The supply takes place at the earliest opportunity, subject to stock availability and production capability. The terms of delivery are suspended for fortuitous events and "force majeure" and/or any unpredictable event outside the control of Arblu srl. The time of delivery will be suspended from the day of the impediment.

6. Transport

- Regardless the agreements made on transport costs, and/or payment terms and/or eventual delivery of documents, the passage of transport risks is meant under EXW (Incoterms 2010) delivery terms, with loading the products on means of transport intended for the Buyer. Therefore any complaint must be addressed by the Buyer to the Carrier, even if the transport has been commissioned by Arblu srl. The recipient is namely obliged to check the incoming goods and to notify any possible damage to the Carrier. When the carrier delivers the goods, any damaged packages may be withdrawn by indicating on the delivery NOTES remarks the wording "subject to verification." Within 48 hours the Customer can notify the damage to the Carrier; after this time Arblu srl reserves the right not to acknowledge any compensation for noticed damages and/or breakages.

7. Installation and assembly

- Installation of our products must be carried out by professional personnel, by following the instructions delivered together with the products, the relevant technical documentation and according to the laws and regulations governing the implementation of this type of activity. The Buyer assumes all responsibility for faults and / or defects in installation and for any violation of the above provisions. Arblu srl does not take any responsibility for wrong or incorrect installation of the delivered products.

8. Tolerance

- All items can have a tolerance of +/-1% compared to the ordered size.

9. Complaints

- Any non-conformity, fault or defect shall be reported within 8 (eight) days from delivery, under penalty of revocation. Any non-conformity, fault or defect hidden at the time of receipt of the goods shall be reported within 8 (eight) days from their discovery.

10. Returned goods

- No items can be returned without the express authorization of Arblu srl
- Authorized returns must be consigned to Arblu srl on DAP delivery terms basis, they will be in any case charged by 20% costs as well as any repair costs for any possible damage caused by negligence of the Customer.
- The goods immediately identified as damaged and replaced by the supplier have to be returned within 30 days from their replacement. Beyond that date Arblu srl will be forced to issue an invoice for the replaced goods at current price list.

11. Warranty

- The products will be suitable for the use they are normally intended for and will be guaranteed by non-conformity and defects in material and workmanship. In any case, measurements, tints, colors, illustrations and drawings on catalogues and/or samples will be merely indicative. The warranty only covers the replacement of products and parts which we acknowledge as being defective. The normal degradation and wear of the products, as well as any defect or lack of quality due or influenced by incorrect storage, are excluded from the warranty and liability of Arblu srl. The warranty does not cover damage to products that have been tampered with by the Buyer and / or third parts, installed and / or used not in accordance with the operating conditions supplied with the product. Under no circumstances a warranty intervention will take place once elapsed 24 months from delivery date.

12. Payments and overdue interests

- The payment deadline will be strictly observed, the possible acceptance of credit by Arblu srl is always subject to collection, without any renewal of the relationship and without modification of the competent Court. If payment is not done at the foreseen date, Arblu srl will apply the interests established by Italian Legislation in compliance with European Directives 2000/35/CE and 2011/7/UE and without prejudice to the right of Arblu srl to declare the contract terminated and request compensation for damages. Arblu srl will have the right to suspend any delivery, without prior notice, making void the ongoing order for the part not yet delivered due to the fault of the Buyer. In no event will the Buyer be allowed to suspend or delay payments, even in the event of dispute, complaint or controversy.
- In the event of termination of the contract or cancellation or withdrawal of the Buyer, Arblu may withhold any deposit fees collected as penalty as a partial compensation of contractual obligations not complied with by the Buyer, except a greater damage caused.

13. Cautions

- Arblu srl may suspend deliveries in case the worsened economic conditions of the Buyer may compromise the payment and there is a danger of not obtaining payment: in the case of deferred payments, failure to timely comply with the deadlines established legitimate Arblu srl to demand immediate payment of the entire remaining price.

14. Retention of title

- The sale is made subject to property (Article 1523 et seq CC), so the products remain the property of Arblu srl until full payment of the price.
- Payments are not recognized if made to agents, representatives, producers and salesmen without the written permission from Arblu srl.
- The goods will become property of the Buyer only after their regular, full payment. The Buyer has no right to sell, pledge, guarantee, lease, otherwise the goods to a third person before this deadline. In case of failure and / or delayed payment, Arblu srl reserves the right to recover the goods.
- In the event that the Buyer has sold the products before their full payment, Arblu srl will automatically have the right to subrogation to the Buyer's rights to the third buyer and any proceeds from the sale will be held by the Buyer in the name and account of Arblu srl, the latter being readily transmitted. In any case the risks arising from loss or damage for any cause suffered by the products will be borne by the Buyer.

15. Use of trademarks and images

- any kind and form of use of trademarks and names of Arblu srl property, as well as links, images, photos and files must be authorized in advance in written form by Arblu srl.

16. Applicable Law and Jurisdiction

- These terms and conditions are governed by the Italian Law and the Court of Pordenone (Italy) has competence for any controversy. Arblu srl will have the right to refer, at its discretion, to the competent Court where the Buyer is located.

17. Validity

- This price list comes into effect starting from 15th February 2025.
